

PIONEER MIDDLE SCHOOL

Safeway and Albertsons Rewards Programs

Pioneer Middle School PTSA is now registered with both the **Albertsons community partners program** and the **escript.com** program (links to Safeway, Macy's, Eddie Bauer, Office Depot). When you register your rewards cards online, every time you shop you earn money for our school! Please register right away and tell EVERYONE YOU KNOW to support our school. Aunts, Uncles, Grandparents, even relatives out-of-state can donate to our school!!!!!!

Have you lost your Albertsons or Safeway rewards cards? You can call Safeway at 1-877-SAFEWAY or Albertsons at 1-877-932-7948 to find out what your original account number is. If you like, they will send you a new card at that time. You must have an account number to enroll in both of these programs. You can also phone and ask the Albertsons store to look up your account number for you if you no longer carry a Preferred Savings Card. If you do have an account number, we would be happy to register for you if you prefer. Just fill out the form below.

I have never had an Albertsons or Safeway rewards card account. The grocery store chains can help you setup an account, or you can register at www.Albertsons.com and escript.com.
